### **Jointly Agreed Disciplinary Order**

Based upon the foregoing, the parties mutually agree and stipulate that the following shall constitute the disciplinary order entered by the Board in this matter under the authority of Section 621.045.3, RSMO.

1. Licensee's license as a pharmacist, License No. 043732, is hereby placed on **PROBATION** for three (3) years. The period of probation shall constitute the "disciplinary period." During the disciplinary period, Licensee shall be entitled to practice as a pharmacist under Chapter 338, RSMo, as amended, provided Licensee adheres to all the terms of this agreement.

2. **Terms and conditions of the disciplinary period.** The terms and conditions of the disciplinary period are as follows:

A. Licensee shall keep the Board apprised of her current home and work addresses and telephone numbers. If at any time Licensee is employed by a temporary employment agency or maintains employment that requires frequent daily or weekly changes of work locations she must provide the Board a list of locations worked if requested by the Board or Board's representative.

B. Licensee shall pay all required fees for licensing to the Board and shall renew her license prior to October 31 of each licensing year.

C. Licensee shall comply with all provisions of Chapter 338, Chapter 195, and all applicable federal and state drug laws, rules and regulations and with all federal and state criminal laws. "State" here includes the State of Missouri and all other states and territories of the United States.

D. Licensee shall make herself available for personal interviews to be conducted by a member of the Board or the Board of Pharmacy staff. Said meetings will be at the Board's discretion and may occur periodically during the disciplinary period. Licensee will be notified and given sufficient time to arrange these meetings.

E. If, after disciplinary sanctions have been imposed, the Licensee ceases to keep her Missouri license current or fails to keep the Board advised of her current place of employment and residence, such periods shall not be deemed or taken as any part of the time of discipline so imposed.

F. If, after disciplinary sanctions have been imposed, the Licensee begins employment as a pharmacist or technician outside the state of Missouri, such periods shall not be deemed or taken as any part of the time of discipline so imposed. Licensee may petition the Board to seek a waiver for any portion of this requirement by making such a request in written form to the Board for its consideration. No exception will be made to this requirement without prior Board approval.

G. If Licensee leaves the state of Missouri for more than 30 consecutive days, such periods shall not be included as a part of the time of discipline so imposed.

H. Licensee shall provide all current and future pharmacy and drug distributor employers and pharmacist-in-charge a copy of this disciplinary agreement within five (5) business days of the effective date of discipline or the beginning date of each employment. If at any time Licensee is employed by a temporary employment agency she must provide each pharmacy and drug distributor employer and pharmacist-in-charge

a copy of this disciplinary agreement prior to or at the time of any scheduled work assignments.

I. Licensee shall not serve as a preceptor for interns.

J. Licensee shall report to the Board, on a preprinted form supplied by the Board office, once every 6 months, (due by each January 1 and July 1), beginning with whichever date occurs first after this agreement becomes effective, stating truthfully whether or not she has complied with all terms and conditions of her disciplinary order.

K. Licensee shall not serve as a pharmacist-in-charge or in a supervisory capacity without prior approval by the Board.

3. Licensee's failure to comply with any condition of discipline set forth herein constitutes a violation of this disciplinary agreement.

4. Upon the expiration of the disciplinary period, the license of Licensee shall be fully restored if all requirements of law have been satisfied; provided, however, that in the event the Board determines that Licensee has violated any term or condition of this Settlement Agreement, the Board may, in its discretion, after an evidentiary hearing, vacate and set aside the discipline imposed herein and may suspend, revoke or otherwise lawfully discipline Licensee's license.

5. No additional discipline shall be imposed by the Board pursuant to the preceding paragraph of this Settlement Agreement without notice and opportunity for hearing before the Board as a contested case in accordance with the provisions of Chapter 536, RSMo.

6. This Settlement Agreement does not bind the Board or restrict the remedies available to it concerning any future violations by Licensee of Chapter 338, RSMo, as amended, or the regulations promulgated thereunder, or of the terms and conditions of this Settlement Agreement.

7. This Settlement Agreement does not bind the Board or restrict the remedies available to it concerning facts or conduct not specifically mentioned in this Settlement Agreement that are either now known to the Board or may be discovered.

8. If any alleged violation of this Settlement Agreement occurred during the disciplinary period, the parties agree that the Board may choose to conduct a hearing before it either during the disciplinary period, or as soon thereafter as a hearing can be held, to determine whether a violation occurred and, if so, may impose further disciplinary action. Licensee agrees and stipulates that the Board has continuing jurisdiction to hold a hearing to determine if a violation of this Settlement Agreement has occurred.

9. Each party agrees to pay all their own fees and expenses incurred as a result of this case, its litigation, and/or its settlement.

10. The parties to this agreement understand that the Board of Pharmacy will maintain this agreement as an open record of the Board as provided in Chapters 338, 610, and 324 RSMo.

11. The terms of this settlement agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise contained herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated,

except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.

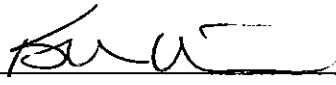

12. Licensee hereby waives and releases the Board, its members and any of its employees, agents, or attorneys, including any former Board members, employees, agents, and attorneys, of, or from, any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including, but not limited to, any claims for attorney's fees and expenses, including any claims pursuant to Section 536.087, RSMo, or any claim arising under 42 U.S.C. Section 1983, which may be based upon, arise out of, or relate to any of the matters raised in this litigation, or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion thereof void or unenforceable.

13. Licensee understands that she may, either at the time the settlement agreement is signed by all parties, or within fifteen (15) days thereafter, submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties constitute grounds for disciplining Licensee's license as a pharmacist. If Licensee desires the Administrative hearing Commission to review this agreement, Licensee may submit its request to: Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P.O. Box 1557, Jefferson City, Missouri 65102.

14. If Licensee requests review, this settlement agreement shall become effective on the date the Administrative Hearing Commission issues its order finding that the

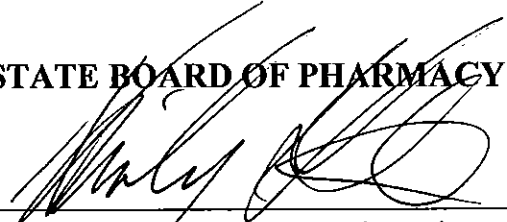

settlement agreement sets forth cause for disciplining Licensee's license. If Licensee does not request review by the Administrative Hearing Commission, the settlement agreement goes in to effect fifteen (15) days after the document is signed by the Executive Director of the Board.
